Outstanding session and a very good discussion about the importance and limits of GRC and overall risk evaluation	Aug 15, 2024 7:59 AM
Very informative!	Aug 15, 2024 1:14 AM
Presenters were great! Very confident and loved they chatted from the chairs. I just felt the title was deceiving. There was very little content on empowering boards	Aug 14, 2024 11:18 PM
I expected more discussion on best ways to approach the board and other third parties and information to share.	Aug 14, 2024 7:23 PM
I really enjoyed this session.	Aug 14, 2024 12:28 PM
Very relevant and informative session	Aug 14, 2024 12:23 PM

This was a good session for me. Not too technical.	Aug 14, 2024 12:21 PM
Nice, fun interaction between speakers.	Aug 14, 2024 12:21 PM
Talked about trust centers without defining what that meant. The presenter talked about the time he was allocating for each slide and it was distracting and made it feel rushed. Wish actually challenges were discussed more.	Aug 14, 2024 11:29 AM
Good discussion - be good to get the QR code referenced	Aug 13, 2024 5:40 PM
Would have enjoyed a longer session to deep dive in more BOD communication	Aug 13, 2024 3:40 PM
Excellent discussion and insight from both of the speakers I would attend their session in the future	Aug 13, 2024 1:42 PM
Great banter between speakers. Informative and entertaining	Aug 13, 2024 12:59 PM
Lived the dual hosts	Aug 13, 2024 9:18 AM
I would have liked to hear more detail in the how and would have been ok with a longer session. Great content!	Aug 12, 2024 4:01 PM
